Doha

We were one of first to be here  
Standing behind the country  
Standing for all to see  
Standing proud  
Proud of where we are. And proud to be here, with you  
With pride of place – we were the first  
Now of many, we will always have a special bond  
A link to each other  
Our heritage is your heritage  
From a desert, we have grown as you have grown  
And flourished alongside you  
Your warm hospitality is seen in every smile  
In every kind word  
In every request  
And the quality of our service  
And now the promise has been delivered  
The future has been seen  
We will continue to be here  
For the next part of the journey  
For the next chapter  
And for a new generation  
The Sheraton Grand Doha
